The image is a vertical A5-sized laminated POP card for a matchstick puzzle game. The top section has a dark brown background with the title 'マッチ棒パズル' (Matchstick Puzzle) in large, colorful, stylized Japanese characters. Above the title is the character 'ぼう' (bo), and below it is 'すみっこぐらし™' (Sumikko Gurashi). The background is decorated with various Sumikko Gurashi characters and matchsticks. The middle section has a light yellow background. It features a red circular badge on the left that says 'ぜん 全12問もん しゅう 収録!' (All 12 questions included!). Below this is the text 'あそ 遊んで飾れる' (Play and decorate) and 'のう ない 脳内トレーニング!' (Brain training!). To the right of this text are two orange icons: one with an upward arrow and a star, and another with a sunburst over a head, labeled '先読み力' (Advanced reading ability) and '集中力' (Concentration). Below these icons is a QR code with the text '▼詳細はこちら▼' (Details here) above it. At the bottom left is the 'eyep LAYUP' logo. On the right side of the middle section, there is a red starburst graphic with the text '脳内スッキ!!' (Brain is so happy!!) and '脳トレ!' (Brain training!). The bottom right corner contains the copyright notice '©2020 San-X Co., Ltd. All Rights Reserved.' The entire card is framed by a white border with black corner marks.
